Re: August Monthly Report Amendments

Committee ID# C00327395

RECEIVED
FEC MAIL ROOM
2000 DEC -7 A 10:16

Please note, we prematurely amended the August Monthly Report (7/01/00-7/31/00) and therefore, had to amend the report a second time. In the original amendment we deleted a contribution given without re-entering it correctly. In the second amendment you will find the deleted contribution given re-entered on line 29.

Since this error effected the cash on hand, all reports subsequent to the August Monthly Report were also amended for a second time.

Please let us know if you have any questions. Thank you.
